BODY:

Dear [INSERT EDUCATOR NAME],

Thank you so much for hosting Truist in your classroom this week.

Truist is proud to sponsor financial education across high schools in our community. If there's interest in another visit in the future, please let me know.

I also wanted to make you aware of a scholarship contest Truist sponsors each semester for students who complete 3 modules in the Financial Foundations course. Please encourage your students to apply – we'd love to see their essays! You can find all contest details on [this site](#). Students can win up to \$3,000 for their future.

Sincerely,
