Think about what you have learned, and then draw a picture that shows:

What are you saving up for or something you could potentially save up for in the future: (Ex. A new toy, a video game, or board game)

How does it make you feel to save money: (Ex. Does saving money for something you really want make you feel proud or happy?)

A large, empty rectangular box with a thin dark blue border, intended for a student to draw a picture related to the prompts above.
